

Company Profile
Stanley Finkelstein Ltd I CORFAC International

The principal of the firm, Stanley Finkelstein SIOR REBC, has more than 40 years of international real estate experience in Israel and South Africa, covering a wide spectrum of real estate disciplines. These include brokerage sales and acquisitions, specialist tenant or property owner representation, and facility and project management services.

Stanley Finkelstein Ltd was established in July 2000 as a boutique commercial real estate advisory company able to provide tailor-made and personalized real estate advisory services. We cater to both international and Israeli corporate clients and are dedicated to providing the highest level of professional services. We are fully bilingual and offer advisory services in both Hebrew and English.

Stanley Finkelstein Ltd is part of CORFAC International – Corporate Facility Advisors - an alliance of entrepreneurial commercial real estate firms that partner to deliver quality and experienced service locally, nationally and internationally.

“Locally Owned – Globally Connected”

Stanley Finkelstein Ltd I CORFAC International acts as the exclusive real estate advisors to international corporate clients in the banking and financial services areas, hi-tech companies, and industrial companies with facilities in Israel.

We're able to offer project management services to both Israeli and global clients, including the building of turn-key office build-out facilities. We partner with the most professional and experienced architects, consultants and project managers as we help our clients to realize their goals. Past and present clients include international industrial & IT companies.

In addition, Stanley Finkelstein Ltd provides full facility management services to international corporate clients with branches in Israel.

Our small but effective brokerage team of three brokers is active throughout Israel and handles sales of investment properties, office rentals and sales, and commercial and industrial rental and sales.
